Electronic Payments

ACH—Automated Clearing House

What:

St James Parish Family offers our parishioners an opportunity to make their monthly donations using automated electronic payments. This program is available regardless of where you bank.

Preauthorized electronic payments mean that you can make your donations without writing a check. This is a help to the parish as we are better able to manage funds.

How:

The preauthorized electronic payments are processed using the Federal Reserve System's Automated Clearing House (ACH) to facilitate electronic transfers from your checking/savings accounts directly to St James Parish account. Funds are transferred around the 27th of the month and will appear on your monthly bank statement. St James banks with Chase Bank. Information about Chase's online security features is available at www.Chase.com/SecurityCenter.

If you have questions or need further information, please contact the parish office .

**PLEASE RETAIN FOR
YOUR RECORDS**

You can terminate this agreement at any time by giving sufficient written notice.
